

## Drought Level 2 Restrictions

The Oceanside City Council voted on May 20, 2009, to declare a Drought Level 2 in Oceanside ([Resolution No. 09-R0317-1](#)). The following water use restrictions will become mandatory for all residents and businesses on July 1, 2009:

- No washing down of paved surfaces.
- Stop water waste from inefficient landscape irrigation.
- Water outdoors before 10:00 a.m. and after 6:00 p.m.
- Wash vehicles using a bucket and hand-held hose equipped with a positive shut-off nozzle.
- Serve and refill water in restaurants only upon request.
- Offer hotel guests the option of not laundering towels and linens daily.
- Limit residential and commercial landscape irrigation to no more than 3 **assigned days** per week (see schedule below). This does not apply to commercial growers or nurseries.
- Water landscaped areas, including trees and shrubs not irrigated by a landscape irrigation system, no more than 3 **assigned days** per week (see schedule below) using a bucket, hand held hose with positive shut-off nozzle, or low-volume non-spray irrigation.
- Limit lawn watering and landscape irrigation using sprinklers to no more than 10 minutes per water station per **assigned day** (see schedule below). This does not apply to landscape irrigation systems using water efficient devices including but not limited to: weather-based controllers, drip/micro/irrigation systems or stream rotor sprinklers.
- Stop operating ornamental fountains unless re-circulated water is used.
- Repair all leaks within 72 hours of notification by the City of Oceanside.

### Oceanside Drought Level 2 Watering Schedule
